

Host Region Pre and Post TRENZ Familiarisation Trips

Pre and post TRENZ famils are organised by Regional Tourism Organisations (RTOs). They are an opportunity for you to get to know the regions of New Zealand first hand.

Expressions of interest

You may register your interest for one or more options during the application process by adding your selection/s to the shopping cart. The Regional Tourism Organisation will then get in contact with you to discuss. There will be additional Host Region options as well as options for the other regions available soon.

Trip options and contacts

Please follow the below links to see the options available. If you would like additional information before expressing your interest, please contact the appropriate RTO. Please note, you will be contacted post-application with further information.
